£195

With only 14,000 miles on the clock, this 2022 Ford Puma is barely broken in. As a Titanium trim of the T Titanium variant, this car combines style and efficiency with its 1.0L Petrol Hybrid engine and compliance with Euro 6 emission standards. Stay connected and navigate with ease using the Ford SYNC 3 Navigation system, complete with Android Auto, Apple CarPlay, and Bluetooth connectivity. The Electronic Air Temperature Control (EATC) system, which includes climate control, ensures a comfortable environment inside the car. The Driver Assistance Pack 1, featuring automatic headlights, adds convenience to your journeys, while the rear parking sensors, integrated with rear parking assistance, make parking a breeze.

This Ford Puma stands out with its impressive fuel economy of 52 mpg, meaning fewer trips to the petrol station and more money in your pocket. The low CO2 emissions also mean you'll be contributing to a cleaner environment, making it a smart choice for the eco-conscious driver.

There is 1 optional extra which cost £675
